**SUBJECT: CERTIFICATION OF THE PERCENTAGES SUBJECT TO TAX RATIO ADVANTAGE
PURSUANT THE PROVISIONS OF THE ITALIAN DECREE 138/2011**

Dear Customers,

In order to allow you to fulfil the requirements of the Italian Decree 138 dated 13/08/2011 (article 2, paragraphs 6, 7, 13 and 14) as implemented by Law 148 of 13 September 2011, we hereby enclose the percentages of financial instruments held by the SICAVs, for which we act as Transfer Agent, that will grant a reduced taxation rate in the period between 01/07/2026 and 31/12/2026. These percentages refer to the holdings in State Bonds of countries belonging to the Italian White List and similar securities and will be subject to a tax reduction, by means of a limited participation, to the extent of 62.5% to the total profits realized by your Italian resident clients, through direct or indirect investments.

The Schedule I reports, for each sub-fund, the ratios of the above-mentioned securities compared to the total assets of each relative fund. The ratios refer to the latest two annual or semi-annual reports, published within the end of the semester anterior to the period of validity, and to the relative simple mean between the two mentioned ratios.

Sincerely,

A handwritten signature in black ink, appearing to read 'P. Witham'.
